

DRIVEWAY PERMIT APPLICATION for the TOWN OF KINGSTON, Green Lake Co, WI

W6368 E Pine Street, Dalton, WI 53926

▶ All driveways and culverts shall be in accordance with the Town of Kingston Ordinance #18, which requires a permit for any excavating, filling, installation or alternation of a driveway or culvert within the town road right-of-way.

▶ State statute 60.22 authorizes the Town of Kingston to maintain public safety and roadways.

▶ State statute 86.07(2) limits the access to a town road, to require a permit, and impose a fine for violations.

▶ The maintenance of the driveway shall be the responsibility of the applicant and/or property owner.
